Champions Program • Fall 2024 – Spring 2025

The Champions Program has added benefit with an unlimited attendance time of Tuesday, Thursday, Saturday, and Sunday Match Play. This allows juniors the flexibility to attend two, three, or four times per week all for the same fee. The Elite Program continues to be six days per week. The Champions Program is designed for the player willing to make a year round commitment to tennis with goals of college, varsity level high school and middle school. The program continues to include complimentary “walk-on” court time with family members and others in the program.

Membership is Required.

For questions please contact program director Jack Joyce.
